SOMETHING TO CONSIDER - Do you know that attendance at a Chapter meeting will earn you Professional Development Hours (PDH)? Attendance is one PDH per hour of technical session. A presentation is 2 PDH's per presentation hour. Also serving as an officer (board member) earns 2 PDH's per year. To receive your PDH credit, simply have a chapter officer sign your announcement to serve as documentation. **We need participation and input from everyone involved to keep this chapter strong!**

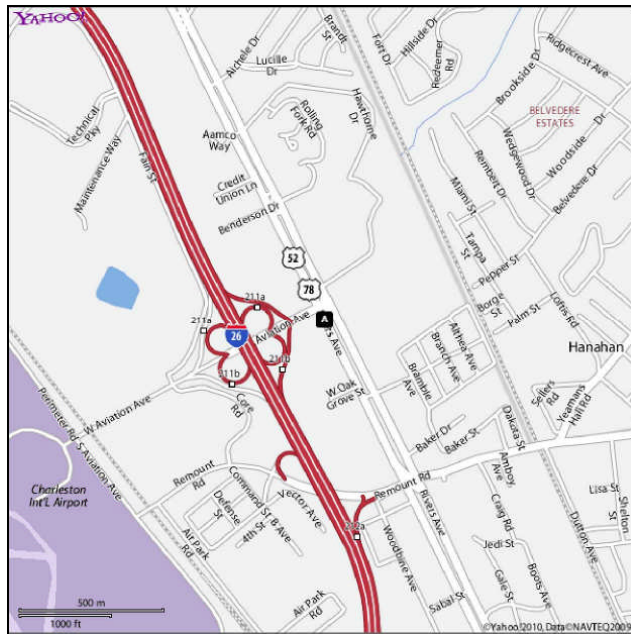

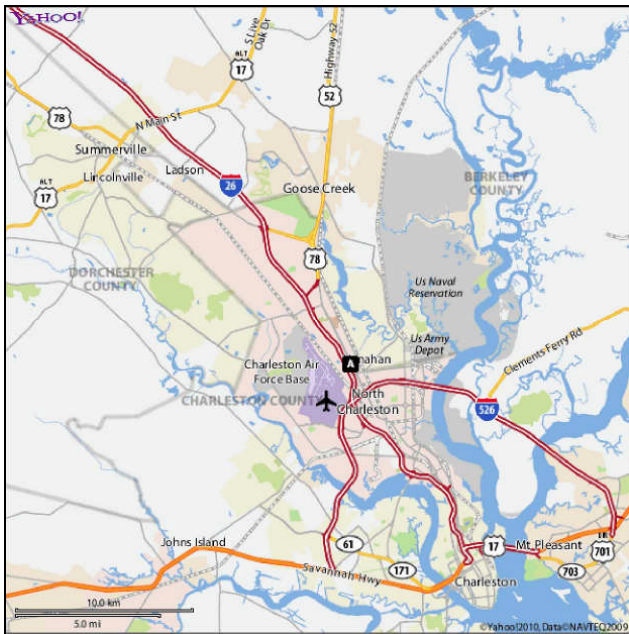

Members and vendors are needed to present case histories, new technologies, analysis techniques, and other related topics during chapter meetings. All should focus on improving maintenance practices or on enhancing maintenance related programs. All presentations must be void of product promotion. *If you or someone you know could make a presentation at one of our future meetings, contact one of the Program Chairmen today!* Also, please let us know of any ideas or suggestions for presentations at the new topics page of our website <http://www.vibration.org/topics%202009.htm>

Hotels: The hotels listed below are at or very near the meeting location. Please note that the Radisson Charleston Airport is offering a discounted rate to those who identify themselves with the Vibration Institute.
